Bank Name: Walmart
Bank Addr:
Bank City: Bentonville
Bank State: AR

I don't really know what heading this comes under.
I feel that if Walmart is allowed into the banking business, it is one step closer to running and ruining the country. It is already the largest employer outside the United States government. Please don't give them more power,.
Walmart has already shut down too many mom and pop stores, too many other small businesses. They should not be allowed to also shut down our smaller banking institutions.
Please.
Thank you,
Annie Abuisneineh
